Houston, TX 77053

Registration: 11:30 Lunch: 12:30 Flights: 1:30

The 7th annual **Clays on the Bayou** event is shaping up to top last year! In the past 3 years, we've donated \$135,000 to Shriners' Orthopedic Hospital. The money from last year was specifically used to purchase a new state of the art Power Step Machine for the hospital. Help us make even a larger contribution!

Shriners Mission

- Provide the highest quality care to children with neuromusculoskeletal conditions, burn injuries and other special healthcare needs within a compassionate, family-centered and collaborative care environment.
- Provide for the education of physicians and other healthcare professionals.
- Conduct research to discover new knowledge that improves the quality of care and quality of life of children and families.

This mission is carried out without regard to race, color, creed, sex or sect, disability, national origin or ability of a patient or family to pay. It's only through the generosity of supporters like you or your company that allows **SHC** to continue this crucial mission. www.shrinershospitalsforchildren.org

About Allied Advocates Foundation

The **Allied Advocates Foundation (AAF)** is a non-profit started by a group of dedicated trial lawyers with a vision to give back to the community which has given them so much. The primary purpose is to raise funds to give to local charities in need. Given the continued reduction of affordable health care in Texas, it was important to us to find a local charity working hard to help those who don't have the financial means. After considering several organizations, **AAF** decided again on **Shriners Hospitals for Children**. 100% of the net proceeds will be given to **SHC**.

Allied Advocates is a public charity and exempt from federal income tax under section 501(c)(3) of the IRS code. Contributions are tax deductible to the extent allowed by the law.
